

Types of Sermons

LAY PREACHERS TRAINING
DR. PASTOR TREVOR THOMAS

Aim & Purpose

- The aim of this presentation is to enable the lay preacher to understand:
- The Four Types of Sermons
 - What are inductive, deductive, & Abductive Arguments
 - Illustrations & Application

As an outcome of this presentation the candidate will be able to either create a sense of curiosity or revelation, understand the difference between illustrations and application and know how to use them creatively.
